Dear Supplier Partner:

I would like to take this opportunity to thank you for your participation in Chrysler's SCORE program. Your SCORE performance has exceeded our expectations, and I want to recognize your company's efforts for a job well done. As you know, SCORE is an integral part of how Chrysler Corporation conducts business with the Extended Enterprise™ members. SCORE has contributed to both of our companies' success and will continue to do so as more members of the Extended Enterprise team embrace continuous improvement efforts and strive for excellence in cost, quality, and cycle time.

We are currently defining a business plan that will reward high achievers with incremental business. We look forward to growing our relationship with suppliers that contribute to our mutual success.

Sincerely,
